<u>The Restrainer</u>	
<u>The Restrainer</u>	<u>The Conclusion</u>
The restrainer is used in the original language in masculine and neuter genders.	Biblical evidence must be investigated for an entity that uses both genders.
The restrainer was active in Paul's day as well as throughout human history.	The restrainer must have continuity throughout history.
The restrainer has the authority to direct the events of human history.	The restrainer has the ability to bring things to pass in history.
The restrainer is powerful enough to hold back spiritual forces including Satan.	The restrainer must have supernatural strength if not omnipotence.
The restrainer holds back lawlessness on a global scale.	A single personal restrainer would need to possess attributes of omnipotence and omnipresence to be able to accomplish such a task.
The restrainer would need to have high standards of holiness and godliness.	The restrainer must be holy to accomplish the act of restraining.

Magog	The republics in southern Russia and north of Israel, comprised of Azerbaijan , Afghanistan , Turkistan , Chechnya , and Iran
Rosh "The chief prince"	Used over 500 times in the Bible and each time it is interpreted as: "head, chief, top, best". Modern interpreters say it means "Russia" because of the similar sound to Rosh
Meshech and Tubal	Modern interpreters say it is Moscow and Tobolsk because again the similarity of sound. Ezekiel 27:13 describes Meshech and Tubal trading with ancient Tyre. It is highly unlikely that ancient Tyre was trading with Moscow and Tobolsk. They are located in modern Turkey
Persia	Iran
Ethiopia	Cush in the original language. Ezekiel 29:9-10, associates Cush with the border of Egypt. Sudan borders Egypt's southern border.

<u>He Performs Great Signs</u>	
<u>Revelation 13:13-14</u>	<u>2 Thessalonians 2:9-12</u>
"He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived."	"The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe the lie, that they all may be condemned who did not believe the truth but had pleasure in unrighteousness."

She is not a literal Harlot	The symbol of the Great Harlot has a literal meaning
The symbolic meaning of the harlot is found in the Word of God	The O.T. describes spiritual harlotry as a religious system contrary to God
The Great Harlot's importance is not what she does but who she influences	The Great Harlot is influencing governments and the people under those governments to buy into her false religious system.
The Great Harlot controls the kings with her false doctrine	The doctrine of the Great Harlot is the doctrine of the government that rules the people, i.e. Sharia Law
Sharia Law	The legal framework that regulates the private and public life of people through religious doctrine

- “And the male goat is the kingdom of Greece. The large horn that is between its eyes is the first king. As for the broken horn and the four that stood up in its place, four kingdoms shall arise out of that nation, but not with its power. And in the latter time of their kingdom, when the transgressors have reached their fullness, a king shall arise, having fierce features, who understands sinister schemes. His power shall be mighty, but not by his own power.”-**Daniel 8:21-24**

Rome A One-legged Statue

- The Western leg of the Roman Empire was founded in 64 B.C. and collapsed in 476 A.D.. The Eastern leg of the Roman Empire was established in 330 A.D. and collapsed in 1453 A.D.. The historical Roman Empire's two legged division only lasted 146 years. The overall existence of the history of the Roman Empire is one legged. Unlike Islam which has been divided into Sunni's and Shite's since its division after Mohammad.

There is a distinction between Ezekiel's account and that of Psalm 83. Psalm 83, gives a list of nations that are in close proximity and surround Israel. Meanwhile, Ezekiel gives the account of the leader of the end time invasion of Israel representing nations from the four corners of the compass. In addition to the nations listed by Ezekiel many more nations will be led by Gog (Antichrist).

Where Do The Dead Go Today

Pre-Millennial	Post-Millennial	Amillennial
The second coming of Jesus is before the 1000 years.	Jesus returns after the 1000 years.	Christ returns to judge all men with a general resurrection.
The second coming and rapture are two distinct events.	Mankind, becomes Christianized during a "Millennial" period, and then Christ returns.	Augustine and other church fathers saw the millennium as symbolic for the eventual victory of the church over evil.
God made promises to Abraham, Isaac, Jacob and the 12 tribes of Israel. These promises are not fulfilled yet.	Church age develops gradually and morally by the conversion of each individual.	Jews have no role in the end times. Jews lost it when they denied Jesus. Breeds anti-Semitism.
The promises made in the scripture could only be fulfilled in a literal earthly kingdom.	As people are converted the world will keep getting better.	The promises of the Kingdom to Israel are fulfilled through Christ and His church.
The 1000 years are to be taken literal.	The 1000 years largely viewed as a world becoming a "Society of saints". Non-literal interpretation.	In 2 Peter 3:8, the 1000 years are seen as one day with the Lord and therefore not literal.
The Old Testament speaks more of the millennium than any other period.	Christ invited, would take control over man's peaceful planet and reign in the hearts of people.	Satan was bound by Christ's victory over him at Calvary. (Luke 10:18)
God's purpose on earth will be fully realized during the millennial period.	The realities of the 20th century have rendered this view obsolete.	God's purpose on earth is fulfilled presently through the church.
Christ will reign over the nations of the earth and Israel will enjoy the blessings promised through the prophets.	"They shall beat their swords into plowshares" (Micah 4:3, Isaiah 2:4), a scripture in the front of UN headquarters is seen as move in this direction.	Christ is reigning over the nations presently through the church.

The Division Of Land During The Millennium

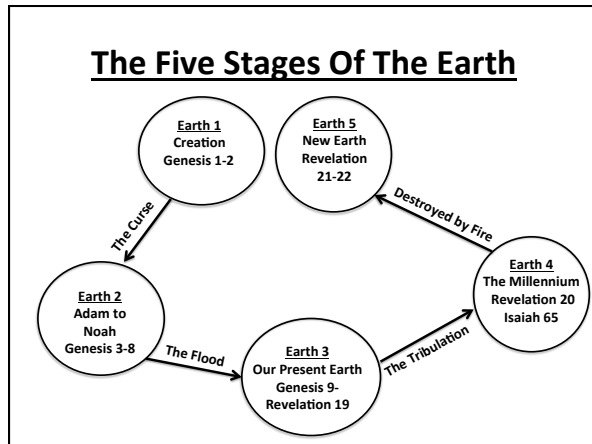

Mosaic Sacrifices	Millennial Sacrifices
The Mosaic Law required that the altar be anointed. (Exodus 29:1-37)	During the Millennium there is no anointing of the altar. (Ezekiel 43:18-27)
The Mosaic Law required an offering of a bullock for a sin offering for seven days. (Exodus 29:30-37)	During the Millennium a bullock is offered on the first day only. (Ezekiel 43:18-21)
The Mosaic Law did not require a goat offering	During the Millennium goats are offered for the last six days. (Ezekiel 43:22-25)
The Mosaic Law required blood applied on the horns of the altar only. (Exodus 29:12)	During the Millennium the blood is to be applied on the the horns, the corners, and upon lower rim around the altar (Ezekiel 43:20)
The Mosaic Law required the offering of a ram every day for a burnt offering. (Exodus 29:15-37)	During the Millennium both a ram and a bullock will be offered everyday for a burnt offering. (Ezekiel 43:23-24)
The Mosaic period had the Ark of the Covenant.	During the Millennial period the Ark of the Covenant is not in the Temple. (Jeremiah 3:16)

Mosaic Sacrifices	Millennial Sacrifices
The Mosaic Law required a ram for the consecration of the priesthood. (Exodus 29:20-29)	During the Millennium there is no ram for consecration of the priests only for the altar.
The Mosaic Law required that only the High Priest could enter the Holy of Holies.	During the Millennium all of the priests of the sons of Zadok will be able to enter in. (Ezekiel 44:15-16)
The Mosaic Laws of marriage in Ezekiel 44:22, were applicable to the High Priest only.	During the Millennium all of the priests are held to the marriage standard.
Under the Mosaic Law the first of Nisan was not a holy day.	During the Millennium the first of Nisan is a holy day. (Ezekiel 45:18)
The Mosaic Law required the Passover to be family centered celebration.	During the Millennium the prince will perform the Passover celebration on behalf of the nation. (Ezekiel 45:21-24)
