#### The Amazing Tenth Chapter

“Even higher critics have often admitted that the tenth chapter of Genesis is a remarkable accurate historical document”

#### The Table Of Nations Is Accurate

- Dr. William F. Albright, universally acknowledged as the world's leading authority on the archaeology of the Near East, says: “...it stands alone in ancient literature, without a remote parallel, even among the Greeks, where we find the closest approach to a distribution of peoples in genealogical framework.... The Table of Nations remains an astonishingly accurate document”.

### The Challenge

- The challenge is that there is a gradual change of names over time with spelling and from language to language. Our goal will not be to try and isolate and speculate about every people group but we will attempt to define names for the purpose of overall Biblical interpretation.

### Genesis 10:1

Now this is the genealogy of the sons of Noah: Shem, Ham, and Japheth. And sons were born to them after the flood.

### The Division Of The Chapter

- The descendants of Japheth (10:1-5)
- The descendants of Ham (10:6-20)
- The descendants of Shem (10:21-32)
- There is debate to which order the son's of Noah were born, but the most important line will be that of Shem since Shem's line will occupy the direction of God's redemptive purposes throughout Scripture.

### Genesis 10:8-12

Cush begot Nimrod; he began to be a mighty one on the earth. He was a mighty hunter before the LORD; therefore it is said, "Like Nimrod the mighty hunter before the LORD." And the beginning of his kingdom was Babel, Erech, Accad, and Calneh, in the land of Shinar. From that land he went to Assyria and built Nineveh, Rehoboth Ir, Calah, and Resen between Nineveh and Calah (that is the principal city).

### Nimrod Was A Mighty Hunter

- The word "before" literally means "in the face of", "in front of", which implies a defiance of the Lord.
- Nimrod's name literally means: "to be rebellious"
- Gen 6:11: "The earth also was corrupt before God, and the earth was filled with violence.
- The Hebrew word for "mighty" is *gibbor* and means "chief" and "chieftain" which implies that Nimrod was king in the face of the Lord

### Nimrod Was A "Hunter"

- The Jerusalem Targum says: "He was powerful in hunting and in wickedness before the Lord, for he was a hunter of the sons of men, and he said to them, 'Depart from the judgment of the Lord, and adhere to the judgment of Nimrod!' Therefore is it said: 'As Nimrod [is] the strong one, strong in hunting, and in wickedness before the Lord.'"

- Josephus (*Ant. Jud.* i. c. 4. 2) says: "Nimrod persuaded mankind not to ascribe their happiness to God, but to think that his own Excellency was the source of it. And he soon changed things into a tyranny, thinking there was no other way to wean men from the fear of God, than by making them rely upon his own power."
- "Nimrod organized not only an imperial government over which he presided as king, but that he instituted a new and idolatrous worship"--Pink, Gleanings in Genesis

### The Ancient Kings Were Believed To Be Descended From Heaven

- Nimrod is portrayed in Scripture as a powerful warrior.
- The first kings in history are portrayed as being mighty warriors descended from heaven-God/King.

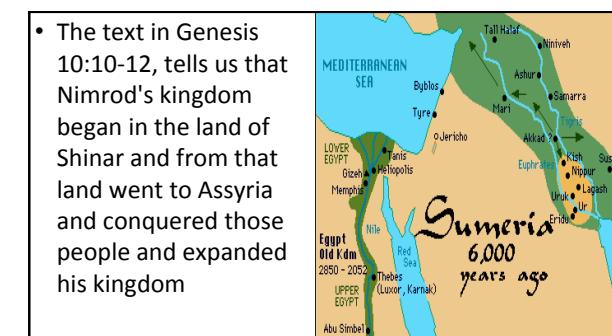

### King Gilgamesh

### Genesis 10:10-12

And the beginning of his kingdom was Babel, Erech, Accad, and Calneh, in the land of Shinar. From that land he went to Assyria and built Nineveh, Rehoboth Ir, Calah, and Resen between Nineveh and Calah (that is the principal city).

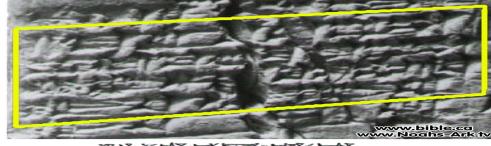

- The text in Genesis 10:10-12, tells us that Nimrod's kingdom began in the land of Shinar and from that land went to Assyria and conquered those people and expanded his kingdom

## Nimrod's Kingdom

- **Babel:** Babel initially meant, "gate of god" but once the Lord came down and confused their language Babel came to mean "confusion"
- Gen 11:7: "Come, let Us go down and there **confuse** their language, that they may not understand one another's speech."
- Babel with its center in the "land of shinar" is later known as the kingdom of Babylon
- **Land of Shinar:** Septuagint (LXX.) and Vulgate "Senaar;" in the inscriptions, "Shumir".
- The Sumerian Kingdom

### Sumerian Kings List (2119 BC)

"The Flood swept over [the land]. After the Flood had swept over [the land] and kingship had descended from heaven [for a second time], Kish [Cush] became the seat of Kingship..."

- **Erech:** Known also as the Sumerian city of Uruk was major center for Nimrod

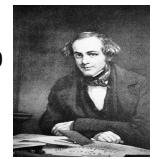

- **Accad:** Sometimes spelled "Akkad"

• Naram-Sin King of Akkad Over the Lullubi, Akkadian Period, 2230 B.C.

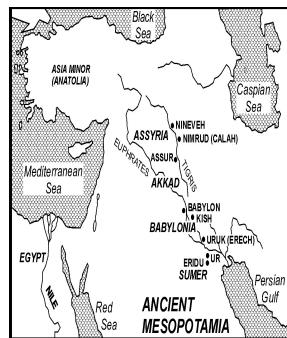

- **Calneh**: The last of the cities in the land of Shinar. Name means "fortified dwellings"
- Sir Henry Rawlinson in interpreting the Talmud identifies **Calneh** with the modern **Nippur**, a lofty mound of earth and rubbish situated in the marshes on the east bank of the Euphrates about 60 miles south-east from Babylon

- **Assyria**: Ashur was a major city founded by Asshur second son of Shem who founded the kingdom of Assyria

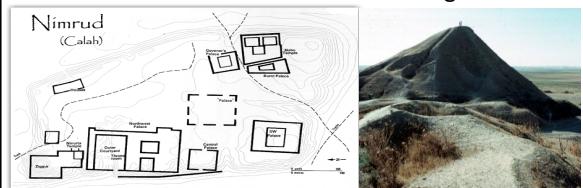

The first Assyrian religion was Ashurism derived from Ashur, the Assyrian supreme god.

- **Nineveh**: Nineveh is an ancient city that became a major city during the days of the Old Testament prophets. The book of Jonah is dedicated to the repentance of the people of Nineveh

- **Rehoboth Ir:** Nimrod built this city. Rehoboth translates as "wide spaces". Isaac dug a well and named it Rehoboth.
- And he moved from there and dug another well, and they did not quarrel over it. So he called its name **Rehoboth**, because he said, "For now the LORD has made room for us, and we shall be fruitful in the land."-- Gen 26:22
- **Resen:** Another city founded by Nimrod and the text tells us that it is between Calah and Nineveh

- **Calah**: Nimrud was the capital of ancient Assyria. It was a famous city in the ancient world that sat on the banks of the Tigris River.

## **People Are Quick To Forget The One True God.**

It doesn't take long for the human race to forget the great flood. God had destroyed the known world because of man's bent towards evil, and yet by the second generation removed from the flood the people were already in rebellion against God. It is a sad description of the heart of man.

## Genesis 11:2-4

Then they said to one another, "Come, let us make bricks and bake them thoroughly." They had brick for stone, and they had asphalt for mortar. And they said, "Come, let us build ourselves a city, and a tower whose top is in the heavens; let us make a name for ourselves, lest we be scattered abroad over the face of the whole earth."

### One Of The First Ziggurats at Nimrud

Picture taken in 1911, author unknown

- This building of the Tower was in direct defiance of the Lord's command to Noah and his family to be fruitful and multiply on the face of the earth. (Gen 9:1)
- They built the Tower for the purpose of forming a religion that was based on astrology.
- Not only did these people under refuse to obey God and populate the earth, but they built a false religion of worship of the stars and how they influence our daily lives.
- Infant sacrifice was used in these high places, i.e., cannibalism, etc.

### God Rebuked The Worship Of The Heavens

- Deuteronomy 4:19

"And take heed, lest you lift your eyes to heaven, and when you see the sun, the moon, and the stars, all the host of heaven, you feel driven to worship them and serve them, which the LORD your God has given to all the peoples under the whole heaven as a heritage."

### Kings Eventually Were Worshiped As Gods

The Sumerian Gudea Cylinder A (2300 BC) has clear mention of many star groups or signs.

•GU.AN.NA "The Steer of Heaven" ([Taurus](#))  
 •MAŠ.TAB.BA.GAL.GAL "Great Twins" ([Gemini](#))  
 •AL.LLU "The Crayfish" ([Cancer](#))  
 •UR.GU.LA "The Lion" ([Leo](#))  
 •AB.SIN "The Seed-Furrow" ([Virgo](#))  
 •ZIB.BA.AN.NA/zi-ba-ni-tum "The Scales" ([Libra](#))  
 •GIR.TAB "The Scorpion" ([Scorpius](#))  
 •PA.BIL.SAG ([Sagittarius](#))  
 •SU.IJUR.MAŠ.KU "The Goat-Fish" ([Capricorn](#))  
 •GU.LA "The Great One" ([Aquarius](#))  
 •KUN.MEŠ "The tails" ([Pisces](#))  
 •LU.HUN.GA "The Agrarian Worker" ([Aries](#))

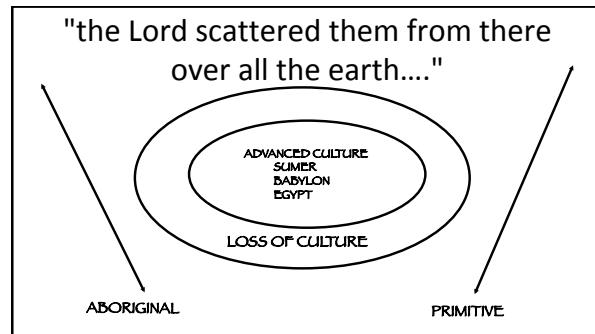

- When they were eventually scattered they took with them these false religions to various places throughout the world.
- If they really wanted to build a Tower to “reach to heaven” then it is most likely that they would have started on a nearby mountain top.
- The ancient Greek historian Herodotus said the Tower still stood in his day.
- God condemns the practice of astrology in many places of the Scripture (Deut. 18:10; Jer 7:31; Lev 18:21, Deut 2:31; 2 Kings 16:3; 17:17; 21:6; 2 ch 28:3; 33:6, Ez 20:31)

## Genesis 11:5-9

But the LORD came down to see the city and the tower which the sons of men had built. And the LORD said, "Indeed the people are one and they all have one language, and this is what they begin to do;

now nothing that they propose to do will be withheld from them. Come, let Us go down and there confuse their language, that they may not understand one another's speech." So the LORD scattered them abroad from there over the face of all the earth, and they ceased building the city.

Therefore its name is called Babel, because there the LORD confused the language of all the earth; and from there the LORD scattered them abroad over the face of all the earth.

## Results According To Henry Morris

- Eventually if not immediately each family unit became a tribe.
- Each tribe moved away from Babel as God had intended for them.
- It was advantageous for each family to multiply.
- The stronger and more favorable tribes took and held more favorable regions.
- The greater the resources the greater the nation could become.

- The process of migration did not require long periods of time (United States for example).
- As the tribe migrated to different regions survival was a must, thus stone age presented.
- Veins of metal had to be discovered suitable clay for making bricks and pottery, crops had to be planted.
- Evidence supports this temporary dwelling of man in the stone age setting.

- They would develop biological characteristics because each family would be marrying within itself.
- Distinct tribes and physical characteristics were a direct result of language differences.

#### ***Roof Top Living***

Roof tops were additional living spaces for the southern Sinagua. From here, they could see many miles over to the distant mountains, watch the morning sun light up the land, test wind directions, look for rain in the clouds overhead and wonder about the moon and stars at night.

Roofs were fine places to grind dried kernels of corn, weave sandals and baskets from yucca plants and stretch animal hides to dry. Flint knapping—striking stones against each other—to make or repair stone tools was another constant occupation.

Perhaps roof tops were used most often as places to watch for traders bringing goods or neighbors bearing news of the outside world.

### Similar To The Original Biblical Story

All of these false religions that have transferred throughout ancient history have the same thing in common with the original true story found in the Bible. Yet, none of these religions compare to the truth of a supreme God who created the heavens and the earth. The false god of ancient religions is a distorted view from a vague memory, enhanced by the confusion of the languages, to the original Biblical account. In the distorted account the male and the female figures are deified along with their children who are less in the rung of deities.

### The Combination Of False Elements In Ancient Religions

To his outraged father's question as to what had happened, Abraham explained that the large idol became upset at the other idols and destroyed them. "You know these idols can't move," Terah shouted. "If they can't save themselves." Abraham Answered, "then we are superior to them. So why do we worship them?" -Rabbi Telushkin, Jewish Literacy
